Dear Supervisors:

**REQUEST APPROVAL OF TAX RATE LEVY FOR THE FISCAL YEAR 2011-12

(ALL DISTRICTS) (3 VOTES)**

SUBJECT

Approval of the attached resolution will authorize the Fiscal Year 2011-12 levy of the Consolidated Fire Protection District's (District) special tax for fire protection and emergency medical services throughout the District at the same rates as the 2010-11 levy. The rate for a single family home would remain \$56.17, with various rates for other property types.

1. Adopt the attached resolution fixing the Fiscal Year 2011-12 tax rate for the District's voter-approved special tax.
2. Instruct the Fire Chief and the Auditor-Controller to take all actions necessary to implement the special tax levy at the rates specified in the attached resolution for Fiscal Year 2011-12.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the attached resolution will authorize the Fiscal Year 2011-12 levy of the District's special tax at the same rates as the Fiscal Year 2010-11 levy. The rate for a single family home would be \$56.17, with rates for other property use types as specified in the attached resolution. Special tax revenues are utilized in maintaining essential fire suppression and emergency medical services throughout the District.

When the 2011-12 Budget was adopted, it was anticipated that an increase in the special tax levy would be needed to generate an additional \$6 million to mitigate a shortfall in the District's revenues. However, a slight increase in property tax revenues, recent reimbursement for out-of-county responses to major incidents, and a reduction in expenditures has provided sufficient revenues to fund operational expenses in 2011-12 without a rate increase.

Independent Citizens' Oversight Committee

The Independent Citizens' Oversight Committee (ICOC) met on August 3, 2011, and made the required annual finding that the District is using the special tax funds for providing fire protection and emergency medical services. Their report is attached.

Implementation of Strategic Plan Goals

This action is consistent with the Strategic Plan Goal of Fiscal Sustainability, Goal 1.1, as the special tax provides long-term revenue that is essential for maintaining fire protection and emergency medical services.

FISCAL IMPACT/FINANCING

The District's Fiscal Year 2011-12 Adopted Budget reflects \$73.5 million in special tax revenue, which included a projected increase in revenue. Since no increase is being recommended at this time, the District's Fiscal Year 2011-12 Supplemental Budget Request will reflect anticipated special tax revenue of \$67.8 million. There is no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

California Health and Safety Code Section 13911 and California Government Code Section 50075 et seq. authorize the levying of the special tax. Your Board may levy the rate at any amount up to the maximum rates as indicated on Exhibit I. Approval of the resolution will levy the special tax at a rate of \$56.17 per single family home, with rates for other property use types as specified in the resolution.

County Counsel has approved the resolution as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Levying the special tax rate at \$56.17 per single family home, with rates for other property use types as specified in the resolution, will generate essential funding to continue providing fire protection and emergency medical services to the residents of Los Angeles County protected by the District.

CONCLUSION

Upon adoption by your Honorable Board, please instruct the Executive Officer, Clerk of the Board to return two (2) copies of the Minute Order and/or this approved letter and resolution, as applicable, to this office.

Respectfully submitted,

Dear Supervisors:

REPORT OF COMMITTEE FINDINGS

The purpose of this letter is to report the findings of the Independent Citizens' Oversight Committee's (ICOC) review of the expenditure of the Fire Department's special tax revenue. As required by the provisions of the Proposition E special tax measure of 1997, the ICOC was provided and reviewed the Fire Station Final 2010-11 Staffing Costs dated July 26, 2011, the Funding Sources for Fire Protection and Emergency Medical Services for Fire Station Personnel chart for Fiscal Year 2010-11, and the History of Special Tax Levy through 2011-12 to determine that the special tax revenue for Fiscal Year 2010-11 was expended for fire protection or paramedic rescue services.

Background

In accordance with Proposition E, the Board established the ICOC. The ICOC consists of a representative from each Board office, a city council representative appointed by the Los Angeles County City Selection Committee and the Chair of the Los Angeles County Economy and Efficiency Commission as an *ex officio* member. The duties prescribed for the ICOC are as follows:

- Meet at least once in each fiscal year.
- Review expenditures paid from the special tax to ensure that such expenditures are for "Fire Protection or Paramedic Rescue Services," which specifically include emergency paramedic rescue, firefighting, search and rescue, and hazardous materials and disaster response.
- Report the Committee's findings to the Board of Supervisors, which satisfies the public reporting requirement.

The ICOC met on August 3, 2011, at which time Committee members were briefed on the Fiscal Year 2011-12 Funding and Expenditure Projections.

Findings

With regard to the expenditure of special tax revenues in 2010-11, the Committee finds that the 2010-11 special tax revenues of \$68 million were expended for fire protection and paramedic services of \$414.3 million in accordance with provisions of Proposition E.
